The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, CA 90012

Dear Supervisors:

## APPROVE AND ORDER PUBLICATION OF NOTICE OF INTENTION TO PURCHASE REAL PROPERTY – 30300 SAN MARTINEZ ROAD, VAL VERDE (FIFTH DISTRICT) (4 VOTES)

### JOINT RECOMMENDATION WITH THE CHIEF ADMINISTRATIVE OFFICER AND THE DIRECTOR OF PARKS & RECREATION THAT YOUR BOARD:

- 1. Find that the acquisition of the subject real property is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to the State CEQA Guidelines and the County of Los Angeles's (County) Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, cited herein.
- 2. Approve the attached Notice of Intention to purchase the subject real property improved with a 706 square foot building on a lot consisting of 10,420 square feet of land area located at 30300 San Martinez Road in the unincorporated territory of Val Verde, for the purchase price of \$215,000 plus closing costs not to exceed \$5,000.
- 3. Instruct the Executive Officer of the Board of Supervisors to cause publication of the attached Notice of Intention in accordance with Section 25350 of the Government Code.

### IT IS FURTHER RECOMMENDED THAT, AT THE TIME OF CONSUMMATION, YOUR BOARD:

- 4. Order the purchase consummated in accordance with Section 25350 of the Government Code.
- 5. Approve and instruct the Chairman to sign duplicate original copies of the attached Purchase Agreement and Joint Escrow Instructions with the Seller, Marlene Miller, to acquire the subject property.
- 6. Authorize the Chief Administrative Office (CAO) to open and manage escrow and execute any required documentation necessary to complete the transfer of title to the County and to accept the deed conveying title to the County.
- 7. Authorize the Auditor-Controller to issue warrants as directed by the CAO for the purchase price and any other related transactional costs, which are estimated not to exceed \$5,000 in the aggregate.
- 8. Approve the attached Appropriation Adjustment in the amount of \$6,000 which will transfer revenue collected from a commission paid to the County as a result of the County's real estate representation into Capital Project No. 69512 for reinvestment into Val Verde Park.
- 9. Request the Assessor to remove the subject real property from the tax roll effective upon the transfer of title.

#### PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to acquire title to land which is located adjacent to Val Verde Park which can be developed for park purposes. The subject real property is comprised of three lots (identified as Assessor's Parcel Number 3270-020-024) and contains a total of approximately 10,420 square feet of land area.

Approval of the proposed acquisition would allow the County to purchase a property that is a potential public nuisance and a hazard to the surrounding community and retain the property for future park use.

The Honorable Board of Supervisors March 20, 2007 Page 3

#### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The proposed recommendations are consistent with the County Strategic Plan goal of service excellence (Goal 1) by facilitating the purchase of property and allowing its subsequent redevelopment to cure blight in the community and be used for park purposes, both of which are responsive to the needs of the Val Verde community.

#### FISCAL IMPACT/FINANCING

The negotiated fair market purchase price of \$215,000 is supported by an internal appraisal conducted by CAO-Real Estate Division staff. All other costs associated with the consummation of this transaction shall be equally shared between the County and Seller except for any unpaid taxes, which are to be paid by Seller.

Sufficient funding is available for the Val Verde acquisition within the Capital Projects/Refurbishment Budget under Capital Project No. 69512. The acquisition is funded from the Park In-Lieu Fee (Quimby Funds within Park Planning Area No. 35).

As a matter of policy, the CAO represents the County in all real estate transactions and in the event a commission results from the sale or lease of property being acquired by the County, the County collects the fee typically paid to the principal representing the procuring side of the transaction. In this instance, the County expects to collect a fee of \$6,000, which is equal to three percent of the sales price. Upon consummation of the Purchase Agreement for the subject property, the approved Appropriation Adjustment will transfer the fee back to the Capital Project Budget (C.P. No. 69512) for reinvestment in the Val Verde Park.

#### **Operating Budget Impact**

The Department of Parks & Recreation estimates one-time costs of \$50,000 in Fiscal Year 2006-07 for the demolition of the existing structures, clean-up of the site and construction of a fence around the premises. The Department of Parks and Recreation will work with the CAO to identify funding for these one-time costs. The site will remain vacant until a future plan of use and construction is developed.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The existing property is currently developed with a small vacant residential structure that suffers from significant deferred maintenance and due to its deteriorated nature, is a target of continuing vandalism. If acquired, the Department of Parks & Recreation will demolish the existing structure immediately and begin the process of planning future development of Val Verde Park that would include the subject site.

The Honorable Board of Supervisors March 20, 2007 Page 4

Pursuant to Government Code Section 65402, notification of the County's intent to purchase the subject property was provided to the Department of Regional Planning which has not indicated any objection to the acquisition.

A preliminary title report has been issued and reveals no claims or encumbrances which would significantly affect or impair the subject property's title. The Department of Public Works will conduct a Phase I environmental site assessment. In the event this report indicates that further testing is required, the County could cancel the sale and forfeit the \$5,000 deposit or proceed with the sale and do additional environmental evaluations.

County Counsel has reviewed the Notice of Intention and Purchase Agreement and Joint Escrow Instructions in connection with this transaction and has approved them as to form.

#### **ENVIRONMENTAL DOCUMENTATION**

The proposed project is categorically exempt from CEQA according to Sections 15304 and 15325 (f) of the State CEQA Guidelines and Classes 4 and 25 of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987, because the project provides for minor alterations to land as well as transfer of ownership of land to preserve open space.

#### <u>IMPACT ON CURRENT SERVICES (OR PROJECTS)</u>

The proposed actions will have no impact on any current County services or any other planned or approved project.

The Honorable Board of Supervisors March 20, 2007 Page 5

#### **CONCLUSION**

It is requested that the Executive Officer, Board of Supervisors, return executed duplicate originals of the Purchase Agreement and Joint Escrow Instructions, the executed Notice of Intention, two certified copies of the Minute Order, and the adopted, stamped Board letter to the CAO Real Estate Division at 222 South Hill Street, 3rd Floor, Los Angeles, CA 90012 for further processing. Additionally, please forward a copy of the adopted, stamped Board letter to the Department of Parks and Recreation, Executive Offices, 433 South Vermont Avenue, Los Angeles, CA 90020.

#### **BUYER'S INSPECTION ADVISORY**

(C.A.R. Form BIA, Revised 10/02)

Property Add	ress: <u>30300</u>	San Martinez Rd.,	Val Verde CA	91384	("Property").

A. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, you should conduct thorough investigations of the Property personally and with professionals who should provide written reports of their investigations. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.

B. BUYER RIGHTS AND DUTIES: You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. The purchase agreement gives you the right to investigate the Property. If you exercise this right; and you should, you must do so in accordance with the terms of that agreement. This is the best way for you to protect yourself. It is extremely important for you to read all written reports provided by professionals and to discuss the results of inspections with the professional who conducted the inspection. You have the right to request that Seller make repairs, corrections or take other action based upon items discovered in your investigations or disclosed by Seller. If Seller is unwilling or unable to satisfy your requests, or you do not want to purchase the Property in its disclosed and discovered condition, you have the right to cancel the agreement if you act within specific time periods. If you do not cancel the agreement in a timely and proper manner, you may be in breach of contract.

C. SELLER RIGHTS AND DUTIES: Seller is required to disclose to you material facts known to him/her that affect the value or desirability of the Property. However, Seller may not be aware of some Property defects or conditions. Seller does not have an obligation to inspect the Property for your benefit nor is Seller obligated to repair, correct or otherwise cure known defects that are discovered by you or your inspectors during escrow. The purchase agreement obligates Seller to make the Property available to you for investigations.

D. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as soil stability, geologic or environmental conditions, hazardous or illegal controlled substances, structural conditions of the foundation or other improvements, or the condition of the roof, plumbing, heating, air conditioning, electrical, sewer, septic, waste disposal, or other system. The only way to accurately determine the condition of the Property is through an inspection by an appropriate professional selected by you. If Broker gives you referrals to such professionals, Broker does not guarantee their performance. You may select any professional of your choosing. In sales involving residential dwellings with no more than four units, Brokers have a duty to make a diligent visual inspection of the accessible areas of the Property and to disclose the results of that inspection. However, as some Property defects or conditions may not be discoverable from a visual inspection, it is possible Brokers are not aware of them. If you have entered into a written agreement with a Broker, the specific terms of that agreement will determine the nature and extent of that Broker's duty to you. YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.

### E. YOU ARE ADVISED TO CONDUCT INVESTIGATIONS OF THE ENTIRE PROPERTY, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:

- 1. GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS: Foundation, roof, plumbing, heating, air conditioning, electrical, mechanical, security, pool/spa, other structural and non-structural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property. (Structural engineers are best suited to determine possible design or construction defects, and whether improvements are structurally sound.)
- 2. SQUARE FOOTAGE, AGE, BOUNDARIES: Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Fences, hedges, walls, retaining walls and other natural or constructed barriers or markers do not necessarily identify true Property boundaries. (Professionals such as appraisers, architects, surveyors and civil engineers are best suited to determine square footage, dimensions and boundaries of the Property.)
- 3. WOOD DESTROYING PESTS: Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms and other infestation or infection. Inspection reports covering these items can be separated into two sections: Section 1 identifies areas where infestation or infection is evident. Section 2 identifies areas where there are conditions likely to lead to infestation or infection. A registered structural pest control company is best suited to perform these inspections.
- 4. SOIL STABILITY: Existence of fill or compacted soil, expansive or contracting soil, susceptibility to slippage, settling or movement, and the adequacy of drainage. (Geotechnical engineers are best suited to determine such conditions, causes and remedies.)

The location of the Property in a seismic, flood or fire hazard zone, and other conditions, such as the age of the Property and the claims history of the Property and Buyer, may affect the availability and need for certain types of insurance.   12. BUILDING PERMITS, ZONING AND GOVERNMENTAL REQUIREMENTS: Permits, inspections, certificates, zoning, other governmental limitations, restrictions, and requirements affecting the current or future use of the Property, its development or size. - 13. RENTAL PROPERTY RESTRICTIONS: Some cities and counties impose restrictions that limit the amount of rent that can be charged, the maximum number of occupants; and the right of a landlord to terminate a tenancy. Deadbolt or other locks and security systems for doors and windows, including window bars, should be examined to determine whether they satisfy legal requirements. (Government agencies can provide information about these restrictions and other requirements.)
- 14. SECURITY AND SAFETY: State and local Law may require the installation of barriers, access alarms, self-latching mechanisms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as various fire safety and other measures concerning other features of the Property. Compliance requirements differ from city to city and county to county. Unless specifically agreed, the Property may not be in compliance with these requirements. (Local government agencies can provide information about these restrictions and other requirements.)
- 15. NEIGHBORHOOD, AREA, SUBDIVISION CONDITIONS; PERSONAL FACTORS: Neighborhood or area conditions, including schools, proximity and adequacy of law enforcement, crime statistics, the proximity of registered felons or offenders, fire protection, other government services, availability, adequacy and cost of any speed-wired, wireless internet connections or other telecommunications or other technology services and installations, proximity to commercial, industrial or agricultural activities, existing and proposed transportation, construction and development that may affect noise, view, or traffic, airport noise, noise or odor from any source, wild and domestic animals, other nuisances, hazards, or circumstances, protected species, welland properties, botanical diseases, historic or other governmentally protected sites or improvements, cemeteries, facilities and condition of common areas of common interest subdivisions, and possible lack of compliance with any governing documents or Homeowners' Association requirements, conditions and influences of significance to certain cultures and/or religions, and personal needs, requirements and preferences of Buyer.
